funds to cover any Plan Expenses incurred or reasonably to be expected through the Final Decree.

6.6 Unclaimed Distributions.

Payment will be stopped on checks disbursed by the Disbursing Agent to holders of Allowed Claims if such checks remain uncashed ninety (90) days after the date of disbursement. The Cash represented by such checks shall be redistributed Pro Rata to holders of the remaining Allowed Claims, as provided under this Plan at the time of the next scheduled distribution to Allowed Claims hereunder. No further distribution shall be made under this Plan to the holder of any Allowed Claim who fails to negotiate a check issued by the Disbursing Agent on account of a claim for payment within the ninety (90) days after the date such check was mailed to the holder, and any unclaimed distribution on account of such Allowed Claim shall thereby be deemed waived. Any balance of \$15,000.00 or less remaining in the General Fund or other funds established by the Plan after making all distributions required by this Plan may, in lieu of being redistributed to holders of Allowed Claims, be paid over into the registry of the Bankruptcy Court for the use and benefit of The United States.

6.7 Rounding of Dividend Amounts.

Notwithstanding any other provision of this Plan, the Disbursing Agent shall not be required to make any distribution of less than \$5.00 to the holder of any Allowed Claim, and may round all distributions to the nearest \$1.00.

6.8 Final Distributions.

6.8.1 Timing. The Disbursing Agent shall make a final distribution of all Net Distributable Proceeds to Creditors entitled to distributions under this Plan only after the Date of Substantial Collection and, more specifically, after (a) all Assets of the Debtor and the Estate have been converted to Cash; (b) all Disputed Claims have been finally resolved; (c) the applicable 90-day time period regarding all Creditors' rights to claim unclaimed property in accordance with the Plan; and (d) the fees and expenses of the Disbursing Agent and all other Plan Expenses shall have been paid in full in accordance with the Plan.

6.8.2 Amounts. Upon the Final Distribution Date (at which time all Disputed Claims will have been resolved such that each of such Claims has been either Allowed or disallowed in whole or in part), the Disbursing Agent shall distribute to the holders of Allowed Claims their share of any undistributed Net Distributable Proceeds in any Plan fund or account. In the case of a holder of an Administrative Claim, an Petition Gap Claim, a Priority Tax Claim, a Class 1, 2, or 3 Claim, such share shall consist of the full amount payable on account of such Claim pursuant to the terms of Article III of this Plan, to the extent not previously paid. In the case of a holder of a Class 4, 4A or 5 Claim, such share shall consist of the amount (if any) required by the distribution priority scheme established in this Plan.
